RIVELINO RIGTERS

In *The Choices You Make*, Rivelino tells it like it is: the death of his father, bad role models, bad choices, burglaries, drugs, and arrests.

But he also shows his quest for a better life: how he has conquered his bad lifestyle, how he has learnt from his mistakes and has built up a positive life, with God, music and youngsters at its heart.

Life doesn't always go the way you want it to, but you can choose how you respond to it.

Rivelino Rigter is a rapper/singer, talent coach and youth worker.

Rivelino wants to show the younger generation that there is a way out of the mess, a way that can lead to a positive and even loving existence. Rivelino truly is a great example and I really admire him.

CANDY DULFER, saxophone player

I totally recommend this book! Rivelino has encountered a lot of obstacles in life, yet somehow he manages to turn negative things around and make them positive.

SAFOAN 'KAMIKAZI' MOKHTARI, rapper and social worker

Rivelino doesn't just talk the talk; he walks the walk.
